

Hidden Acres Summer Retreats COVID - 19 Policies & Actions

Health Screenings

Every guest is required to fill out the form on the back side of this sheet prior to their arrival. It then needs to be given to their group leader who will take & record their temperature upon arrival (or prior to the group leaving the designated meet up spot if they are carpooling).

Face Coverings

In the Dining Hall, face coverings are mandatory except when eating. They are suggested in the Family Life Center as well when social distancing isn't possible. Elsewhere is up to each group's leader's discretion.

Food Service

Our kitchen staff has always followed safety and sanitation protocols established by local and state health officials.

Precautions being taken to ensure the safest possible environment in the dining hall include:

- mandatory face coverings for everyone entering the building
- designated 'in' & 'out' doors
- hand sanitizer available inside the front doors
- staff distributing food and drinks to all guests
- using prepacked condiments, individually wrapped plastic silverware, and disposable plates & bowls
- spacing out meal times to reduce the number of individuals in the building at one time
- all guests eating at picnic tables outdoors barring inclement weather
- tables indoors socially distanced
- sanitizing all tables before and after meals

Cleaning Procedures

Our cleaning teams will continue to clean and disinfect buildings daily, as they have always done. We will also be disinfecting frequently touched surfaces at camp multiple times a day, and taking extra sanitation measures between groups.

Hand Sanitizing & Washing

There will be hand sanitizer provided in the lobby of the Welcome Center, Family Life Center, Dining Hall, and Schlichting Inn.

Group leaders are encouraged to emphasize to all group attendees the importance of washing hands with soap and water. Hand washing is one of the most effective ways to prevent the spread of germs and viruses.

Schedules

When there is more than one group on the grounds, separate times will be scheduled for afternoon pool use.

Activities

All camp activities are available as normal. Social distancing should be observed while participating.

Medical Professionals

Hidden Acres suggests, particularly during this COVID-19 era, that all groups bring a medical professional to deal with any sickness that occurs during camp. A camp director should be notified of any sickness or illness that leads to quarantine or the need to depart camp early. Hidden Acres has no medical professionals on staff.

Staff Training

Hidden Acres prides itself in hiring and training the best staff possible. Our staff training includes health and safety procedures which cover all the policies listed here. We have emphasized the critical role they play in the health and safety of our guests, through proper hand hygiene, coughing etiquette, reporting any illnesses, following sanitation procedures, etc.

NAME: _____

ARRIVAL
TEMP: _____

GROUP/EVENT: _____

office use only

SECTION

1

CONTACT HISTORY

Check any that apply to this person.

- The individual has been diagnosed with COVID-19.
- The individual has been in close contact with someone exposed to or infected with COVID-19 in the last 14 days.
- The individual has a household member currently on a watch list for COVID-19 exposure.

If any of the above apply to this person, we are sorry but this person will not be able to attend events at Hidden Acres at this time.

I VERIFY THAT I HAVE ANSWERED THIS QUESTION TRUTHFULLY INITIAL HERE

SECTION

2

SYMPTOMS IN THE LAST TWO WEEKS

Check any that apply to this person.

- FEVER (100.4°F & UP)
- SORE THROAT
- COUGH
- CHANGE IN TASTE OR SMELL
- SHORTNESS OF BREATH
- CHANGE IN APPETITE
- BODY ACHES
- GENERALLY NOT FEELING WELL

THIS PERSON HAS BEEN SYMPTOM FREE FOR 2 WEEKS INITIAL HERE

SECTION

3

PRE-EXISTING ILLNESSES

Check any that apply to this person.

- CARDIOVASCULAR DISEASE
- DIABETES
- RESPIRATORY DISEASE (including ASTHMA)
- IMMUNOCOMPROMISED

Individuals with preexisting conditions such as cardiovascular disease, respiratory disease including asthma, diabetes, and immunocompromised are at an increased risk of severe illness if COVID-19 is contracted. I understand that this person's pre-existing illness increases the implied risk of COVID-19.

I UNDERSTAND THE IMPLIED RISK OF PRE-EXISTING ILLNESSES INITIAL HERE

4

DISCLOSURE AGREEMENT

The health and safety of our guests is our #1 priority. In light of the COVID-19 pandemic, we think it is important that you understand our efforts to manage your health and safety so that you can make an informed choice. We are focused on taking all reasonable measures to prevent the spread of COVID-19 in our camp. We have strengthened our standard cleaning procedures, while adding increased frequency measures for things such as wiping down common touch points, dining hall areas, and activity equipment. Additionally, we have taken measures to monitor and address symptomatic guests by introducing this pre-camp health screener. This situation continues to change daily, and as such, we will adapt and adjust our protocols and procedures as we follow the guidance provided by the CDC and local health departments, in our efforts to help keep our guests, staff, and families safe.

Ultimately, the choice for you to attend an event at Hidden Acres is a personal one, and you are in control. If you are uncomfortable with the risks of COVID-19 in this setting, or having your family interact with our staff and other guests, you have the option to cancel and receive a full refund.

I CONSENT TO THE ABOVE DISCLOSURE FOR THIS EVENT INITIAL HERE
