MEDICAL/HEALTH INFORMATION

Licensed medical personnel are on duty 24 hours a day during summer camp. If your child becomes seriously ill or injured, you will be notified.

We will have basic over-the-counter medications available in the nurses' station. You do not need to bring them. We will need your permission to administer these by marking it on your child's registration form.

Prescription, over the counter medications, and essential oils must be in original containers when turned in to camp nurses at check in.

Please label liquid meds, nasal sprays, eye drops, or essential oils with your child's name if it is not already there from the Rx label. All meds will be given according to directions on bottles/boxes.

If parent directions and Rx bottle directions do not match, we will need a note or phone call from the physician before we can give the medications.

If your child needs an **Epi pen**, please bring two so that we can keep one in the nurses' station and one with your child's counselor.

We have four med pass times - Breakfast, Lunch, Dinner, and Bedtime (approx. 8am, noon, 5pm, and 9pm).

If your child will be taking prescription, daily over the counter medications or oils, please bring a **CLEAN, EMPTY weekly pill organizer box** to camp with your child. These can be purchased online or at any drug store. We will have a limited supply of pill boxes for sale at check in if you forget to bring one.

PLEASE DO NOT FILL pill boxes before coming to camp. **CAMP NURSES WILL FILL PILL BOXES.**

***If your child takes medication once per day, a 'one section per day' weekly organizer will suffice.**

***If your child takes medication twice per day, a 'two sections per day' weekly organizer will be required (typically these say MORN on one section & EVE on the other section).**

***If your child takes medication more than twice per day, we will require an organizer with '4 sections per day' (typically these will say MORN, NOON, EVE, & BED on them).**

Your child's counselor will return the pill organizer and medications to your camper's luggage bag on Friday just before pick up. Please check that you have everything (especially inhalers and Epi pens) before you leave camp.
