

Project PATH is a gap year program designed to allow recent high school or college graduates the time and space to:

discover	Purpose
pay	Attention
dedicate	Time
find	Hope for the future

PROJECT PATH

EXPERIENTIAL LEARNING AND JOBS EXPLORATION

Learn new tasks with opportunities across all areas of camp: kitchen, housekeeping, maintenance, programming, office work.

INCLUDES

- \$640 stipend per pay period
- On campus lodging if needed
- Daily staff lunch and meals when guests are served at camp
- A camp staff member assigned as a mentor

HOURS PER WEEK

Approx. 40 hours/week. Due to the nature of camp, some weeks would include more, some less. Work days include weekends.

Sometimes it just takes time and space to discover what God has next for you. Often we need to slow down and pay attention to God, His word, and people He puts in our path. Trusting God for our future and leaning into His plan brings abundant joy. "You reveal the path of life to me; in your presence is abundant joy; at your right hand are eternal pleasures." Psalm 16:11
